Conflict of Interest Disclosure Statement for
Members of the Advisory Board on Radiation and Worker Health

The Advisory Board on Radiation and Worker Health (Board) is very concerned with maintaining the transparency of the compensation program created by the Energy Employees Occupational Illness Compensation Program Act of 2000 (EEOICPA). To foster a fully open and honest environment for claimants and to allay any concerns within the stakeholder community regarding perceived or actual conflicts of interest for Board members, the Board releases the following information for its members:

Board Member's Name: Frazier Bronson, Bachelor of Science (B.S.), Master of Science (M.S.), Certified Health Physicist (CHP)

Job Title and Current Employer: Scientific Director, Mirion Technologies, Branford, CT

Biographical Information: Frazier Bronson is currently Scientific Director for Mirion Technologies, where he has worked for more than 50 years. He has a Bachelor of Science degree (B.S.) in Nuclear Engineering and a Master of Science degree (M.S.) in Radiation Protection. He was certified in the comprehensive practice of Health Physics (CHP) in 1973, is currently a Fellow of the Health Physics Society, and a Distinguished Member of the American Academy of Health Physics. He has previously been Chair of the American Board of Health Physics, President of the American Academy of Health Physics, President of the Midwest Chapter of the Health Physics Society, and President of the Delaware Valley Society for Radiation Safety. Mr. Bronson has had a long-term interest and expertise in radiation detection and analytical measurement methods and instruments.

Expert Witness Experience: None involving Department of Energy (DOE) or Atomic Weapons Employer (AWE) facilities.

Department of Energy (DOE) and Atomic Weapons Employer (AWE) Sites Where a Conflict of Interest Exists: No conflicts.

Subject Matters in Which a Conflict of Interest Exists: Matters involving products, services, or technologies of Mirion Technologies, Canberra Industries, or Radiation Management Corporation, including technologies he developed while employed by those companies, when they play a significant role in dose reconstruction.

Conflicted Sites/Subject Matters Regarding Which the Board Member Has Received Permission to Participate: Mr. Bronson has not received permission to participate in specific party matters involving the above-mentioned conflict of interest concerns.
