* New York excludes New York City for all available years of data																			
1. Representative data are weighted to be representative of all students in grades 9-12 attending public schools in each jurisdiction.																			
2. Data from these sites represent only the students who completed the survey.																			
3. Sites that have given CDC permission to distribute their data files to people interested in additional data analyses are represented by Yes. Sites that have not given CDC permission to distribute their data files are represented by No; these sites will need to be contacted directly to arrange access to data files. Sites that do not have any years of weighted data are designated by N/A.
